A Faculty Development Program (FDP) on the topic “**NAAC Reforms 2024 – Binary Accreditation Framework**” was successfully organized by the **Internal Quality Assurance Cell (IQAC), MES Ayurved Mahavidyalaya, Ghanekhunt Lote, Ratnagiri**, for the teaching faculty of the institute on **20th November 2025**. The program was conducted in the **Multipurpose Hall** of the college from **10:00 AM to 12:00 PM**.

The session was conducted by **Dr. N. S. Dharmadhikari Sir**, a distinguished academic expert in accreditation processes, NAAC implementation strategies, and quality enhancement in higher education. He addressed the recent transformation introduced by NAAC from the earlier multi-level grading system to the **Binary Accreditation Framework**, emphasizing the importance of transparency, accountability, and continuous quality improvement in educational institutions.

Key Highlights of the Session

- He emphasized that for a BAMS college, obtaining the "Accredited" tag is the primary threshold. Once "Accredited," the college can aim for Maturity-Based Graded Accreditation (Level 1 to 5) to demonstrate excellence (e.g., becoming a "Global Institution of Excellence").
- One Nation One Data Platform : Institutions no longer need to submit repetitive data to multiple agencies (NIRF, NAAC, NBA). A single portal now centralizes this data.
- Importance of Geo tagged photos.
- Collaboration and MOU with other institutes.
- Alumni contribution.
- Key points on each of 10 attributes.

The FDP proved highly beneficial for the faculty members, enabling them to gain an in-depth understanding of the restructured accreditation system. All participants expressed that such training programs significantly contribute to enhancing institutional quality culture.

Outcome

The program enhanced faculty awareness regarding:

- Systematic documentation and data management.
- Alignment of academic activities with NAAC expectations.
- Collaborative quality enhancement initiatives.

Participants

A total of **34** teaching faculty members attended the FDP and actively participated in the discussion.

Conclusion

The FDP on “NAAC Reforms 2024 – Binary Accreditation Framework” conducted by **Dr. N. S. Dharmadhikari Sir** was highly informative and progressive. The session concluded with review and a vote of thanks presented by IQAC Coordinator of MES Ayurved Mahavidyalaya Dr. Vikas Kasture, expressing gratitude to the resource person and management for their support.
